Open access books (4738) We have partnered with leading presses on a project to add open access ebooks to JSTOR. Thousands of titles are now available from publishers such as University of California Press, Cornell University Press, NYU Press, and University of Michigan Press, and we will continue to add new titles.

[john forbes nash jr wikipedia](#)

John Forbes Nash Jr. (June 13, 1928 – May 23, 2015) was an American mathematician who made fundamental contributions to game theory, differential geometry, and the study of partial differential equations. Nash's work has provided insight into the factors that govern chance and decision-making inside complex systems found in everyday life.. His theories are widely used in economics.
