

# WORD FREQUENCY BASED ON 450 MILLION WORD COCA CORPUS

## [word frequency based on 450 million word coca corpus](#)

This site contains what is probably the most accurate word frequency data for English. The first set of wordlists are based on the the 14 billion word iWeb corpus-- one of only three corpora from the Web that are 10 billion words in size or larger (and the only such corpus with carefully-corrected wordlists). The second set of wordlists are based on the Corpus of Contemporary American English ...

## [mark davies professor of corpus linguistics brigham](#)

Overview: I am a professor of Linguistics at Brigham Young University in Provo, Utah, USA. My primary areas of research are corpus linguistics, language change and genre-based variation, the design and optimization of linguistic databases, and frequency and collocational analyses (all for English, Spanish, and Portuguese).

## [most common words in english wikipedia](#)

100 most common words. A list of 100 words that occur most frequently in written English is given below, based on an analysis of the Oxford English Corpus (a collection of texts in the English language, comprising over 2 billion running words). A part of speech is provided for most of the words, but part of speech categories vary between analyses, and not all possibilities are listed.
